

84 MM

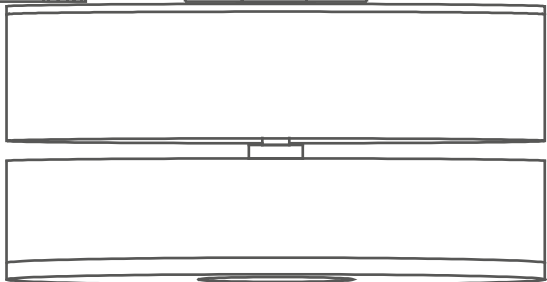

A technical drawing of a cylindrical device. The drawing shows a top view and a side view. The top view is a rectangle with a width of 84 mm. The side view shows a cylinder with a diameter of 100 mm. The total height of the device is 107 mm, divided into a top section of 54 mm and a bottom section of 53 mm. The top section contains several internal components, including a horizontal bar, a vertical bar, and a small square with a diagonal line. The bottom section is a simple cylinder with a slightly flared bottom edge.
