

84 MM

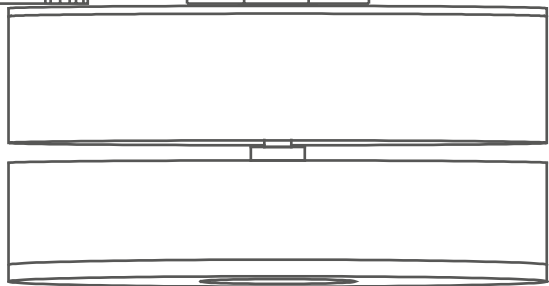

A technical drawing of a cylindrical device. The drawing shows a top view and a side view. The top view is a rectangle with a width of 84 mm. The side view shows a cylinder with a diameter of 100 mm and a total height of 107 mm, which is the sum of two vertical dimension lines on the left: 54 mm and 53 mm. The top view shows a complex internal structure with various rectangular and circular features. A thin rod or wire is shown extending from the top right corner of the top view. The side view shows a cylindrical body with a flange at the top and a slightly tapered bottom. The drawing is a black and white line drawing.
