

A technical drawing of a chandelier. It features a horizontal bar at the top from which seven vertical rods hang down. Each rod is attached to a circular shade. The shades vary in size and are arranged in a cluster. The drawing includes four dimension lines with arrows and text labels: a vertical dimension on the left for the shade diameter, a vertical dimension on the right for the total height, a horizontal dimension at the bottom for the overall width, and a horizontal dimension in the middle for the diameter of the largest shade.
